## **'Being Burmese means being Buddhist' – pastor explains discrimination faced by Christians in Myanmar**

World Watch Monitor (17.09.2018) - <https://bit.ly/2No7oXt> - The discrimination a Christian can meet on a daily basis in Myanmar is explained by Tun from the Chin ethnic minority. He left his town in Chin state and moved his family to another area to pastor a small group of Christians in a predominantly Buddhist village. His name is changed and his voice, on the video, altered for his own safety.
