## **RUSSIA: Novaya Gazeta is against the war (Watch his video message)**

### **Novaya Gazeta is against the war**

*Video Address of Dmitry Muratov, Nobel Peace Prize 2021 & editor-in-chief of Novaya Gazeta (Russian with English subtitles: 52 seconds)*

Novaya Gazeta (24.02.2022) – <https://bit.ly/3hbRAnn> – We all gathered in the editorial office early today. We have grief.

Our country, by order of President Putin, started a war with Ukraine. And there's no one to stop the war. That's why together with grief, we and I feel ashamed.

In his hands, the commander-in-chief, like a keychain from an expensive car, turns the "nuclear button". Is the next step a nuclear volley? I can't otherwise interpret Vladimir Putin's words about weapons of retaliation.

But we will release this issue of Novaya Gazeta in two languages – Ukrainian and Russian. Because we do not recognize Ukraine as an enemy, and Ukrainian as the language of the enemy. And we never admit it.

And the last thing. Only the anti-war movement of Russians can save lives on this planet.

**Dmitry Muratov**, editor-in-chief of Novaya Gazeta, Nobel Peace Prize laureate
